

CLIENT TESTIMONIALS

Proactive coordination (Gabby): She provided clear run-of-show guidance, conducted timely check-ins, and made fast pivots as we adjusted AV, seating, and F&B. She anticipated needs before I had to ask.

~AFN Global Chief of Staff

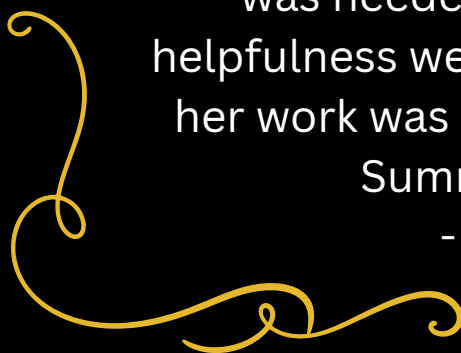

Gabby, our event coordinator, was incredibly helpful, prompt, and easy to work with. I've hosted a lot of events of this scale, and this was by far the smoothest event, all thanks to Gabby. She always responded and was very accommodating with all our meeting needs. She was quick to find solutions when we did have an issue and definitely stayed calm under pressure. I would recommend her to anyone and would greatly enjoy working with her again if I got the chance.
